# A wine trip in Italy's most coveted wine region, Tuscany

## Hello wine lovers,

Join us for an exclusive wine adventure with Giro Concept, crafted in collaboration with Wine Job and Wine School Italia. This expertly curated trip takes you into one of the world's most iconic wine regions, where centuries of history, varied terroirs, and legendary winemaking traditions come together.

Over the course of an immersive week, you'll expand your understanding of wine's complexities while perfecting your tasting skills. Discover different wine styles, winemaking approaches, regional distinctions, and classifications, all designed to boost your confidence as a wine professional or wine aficionado.

We look forward to sharing this exceptional journey with you!

Cheers!

# Le Chiuse

Le Chiuse, a historic estate in the heart of Montalcino, is dedicated to craft terroir driven wines. With deep roots in the region, this family-run estate combines meticulous vineyard management, with a focus on the expression of Sangiovese while maintaining a traditional approach.

Le Chiuse's wines are celebrated for their elegance, structure, and ability to age gracefully.

# Boscarelli in Citta Montepulciano

Experience the refined expression of Montepulciano's terroir at Boscarelli. Renowned for its *Vino Nobile di Montepulciano*, crafted from Prugnolo Gentile (Sangiovese). The estate's focus on low-yield vineyards and selective hand-harvesting ensures wines that showcase exceptional balance, structure, and ageing potential.

MONTEPULCIANO

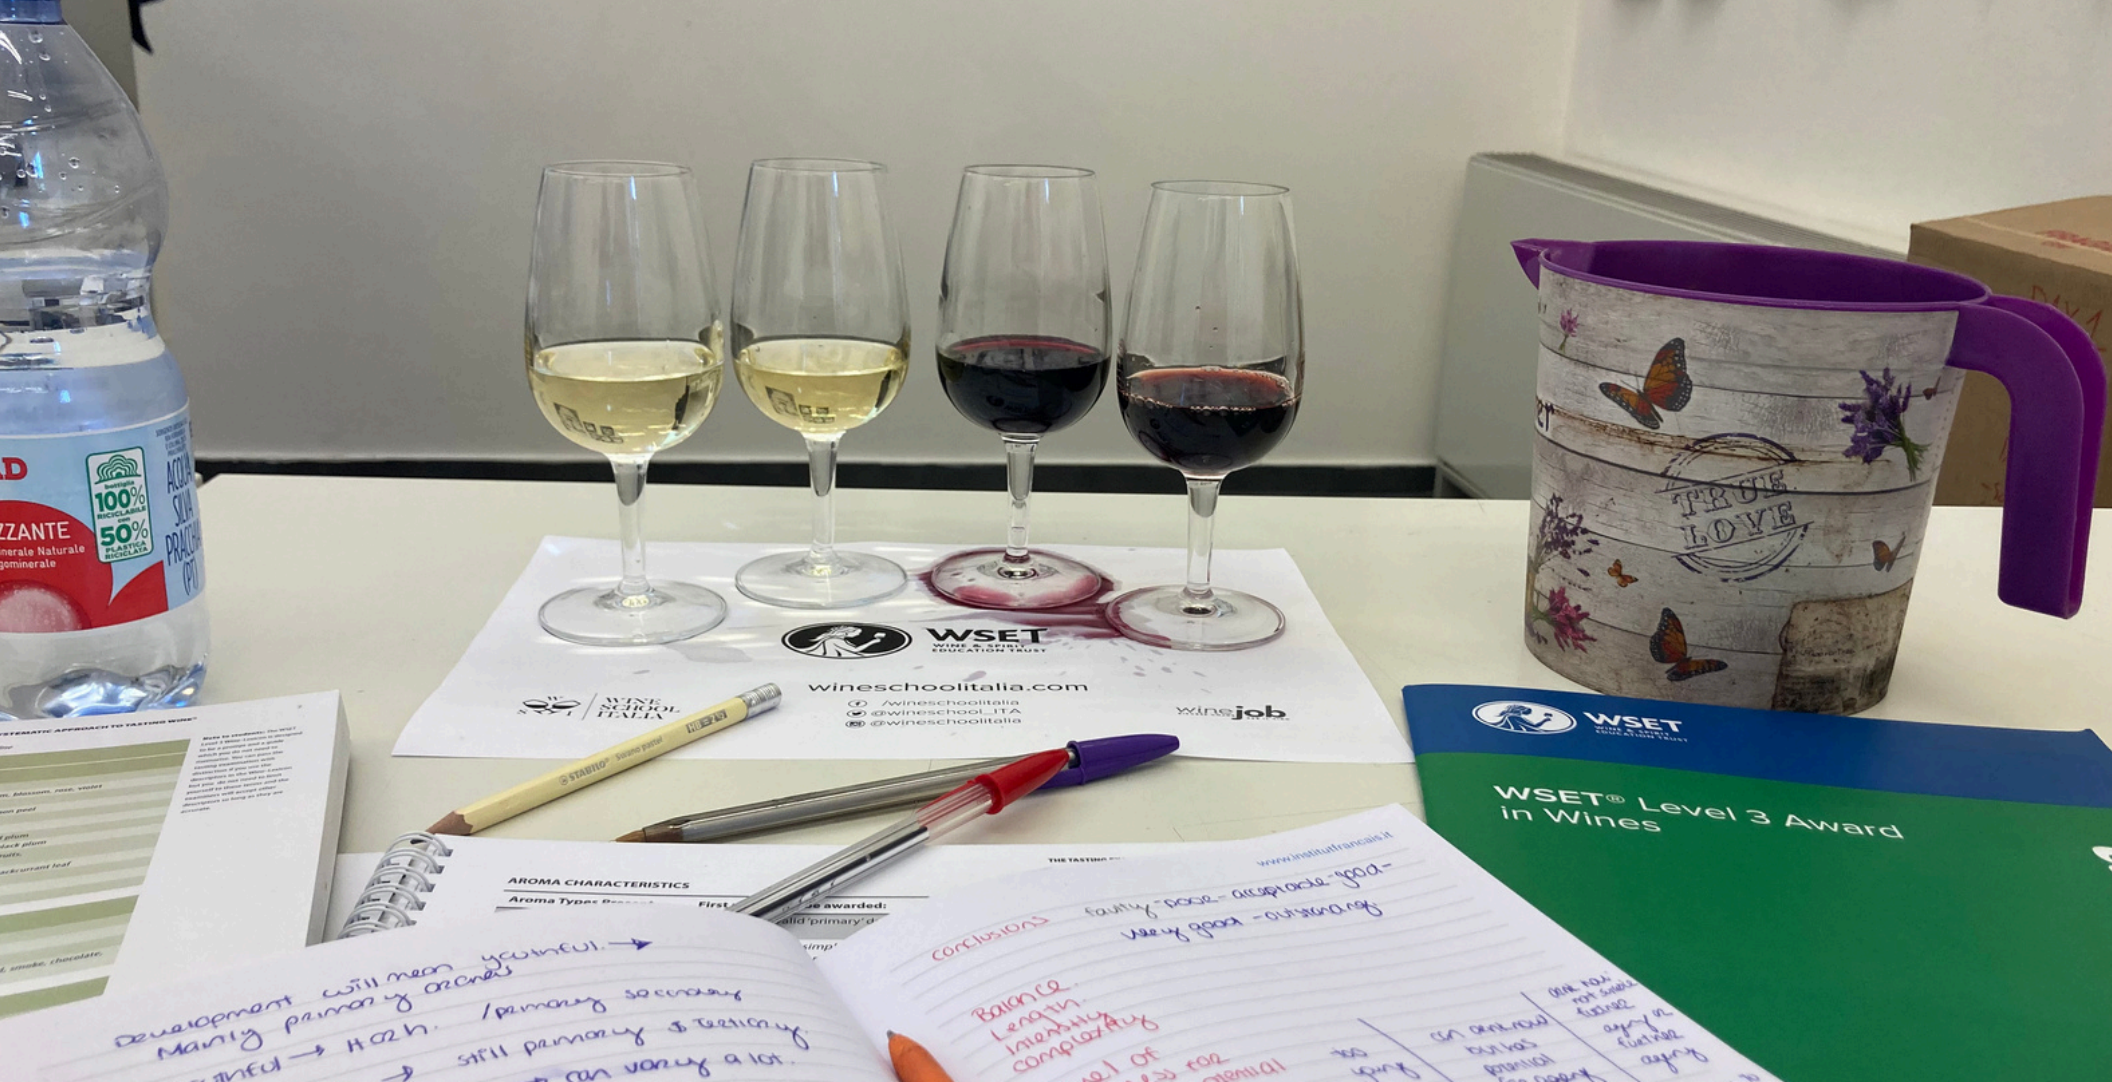

# Day Three Class in Florence

The other appellations of Tuscany  
10.00 am Wine class in School in Florence  
Focus on Tuscan Appellation (Carmignano,  
Scansano,...)
